- Place the top of eyes on round 8, and the bottom on round 11 with 7 sts between them, centering them on the forehead space. And sew them in place.
- Place the nose between the eyes. The corner with the tail is placed on round 11, the tip of the nose round 13 and the last corner in round 14. And sew it in place.
- With 2 strands of black, sew the mouth. The start is on round 13, aligned with the right side of the right eye. Count 3 rounds down and 7 sts to the left and here it's the end of the mouth. Sew the mouth with little sts in the shape of a smile.
- Place the hat on one side of the beanie, the border must meet the center of the magic ring. The end of rounds are on the back. With Black yarn, sew it in place. Before the hole is completely closed add some stuff if necessary but not too much.
