INFO AND TIPS

If you find the need to increase the width in the shoulders or waist area of the sweater, you can do so by adding additional rows of double crochet (dc) stitches along the right and left sides of both the front and back sections of the sweater. However, it's important to note that you should complete each side with single crochet (sc) stitches.

For example, let's say you need to add 5 cm / 2.2″ (which is equivalent to 4 rows of sc stitches) to the shoulder area. Here's the process:

1. Start by crocheting a row of dc stitches from the top down on the right side of the front section.
2. Work dc stitches across the next three squares.
3. Finish the row by crocheting sc stitches across the last squares.

Repeat these steps for both the left side and the back section of the sweater. Only after completing these additional rows should you proceed to join the back and front sections together. This method allows you to customize the fit of your sweater to your liking.

Size	The number of squares needed	Length (in squares)	Width (in squares)	Front part (the number of squares)	Back part (the number of squares)
L/XL	40 squares	5	4	20	20
2XL/3XL	50 squares	5	5	25	25
4XL	60 squares	5	6	30	30
5XL-6XL	84 squares	6	7	42	42

*Can be customized by crocheting more or fewer squares. The length can also be adjusted by crocheting a longer ribbed edge.

SQUARE PATTERN

Use one thread Friends Kid Silk and one thread Friends Wool and start crocheting.

JOINING

Place two squares with their right sides facing each other and use a needle and thread to sew them together. Make sure to sew through the back loops only. Repeat this process to join all the squares in the same way.

NECK

Make shoulders seams (marked blue pins) and leave space for a head (around 24 cm or 9.4").

Connect the yarn to the marked dc (red) and crochet a row of dc around the neckline to the yellow pin. Ch 3, turn, dc in each dc to the end of the row. Crochet two more rows of dc. Fasten off.

SLEEVES

Mark the places for the armholes - all sizes, 2 squares or desired height. Make side seams with a needle and thread.

NOTE: the number of dc stitches is a multiple of 4.

Round 1: Ch 3 (counts as the first dc), dc in each dc an ch-space around, join with sl st to top of ch 3

Round 2: Ch 3 (counts as the first dc), dc in each dc to the end of the round, join with sl st to top of ch 3
Repeat round 2 until 10 cm / 4" before desired length of your sleeves.

Repeat the same steps for the second sleeve.

BOTTOM RIBBING

Connect the yarn to any st of the bottom part, ch 3 (counts as the first st), work a row of dc around the bottom, join with sl st to top of ch 3, after that repeat Rounds 5-7 of the sleeve pattern until desired length. Fasten off.

Enjoy!
