hdc = half double crochet

tc = treble crochet
inc = crochet 2 sts in the same st
dec = crochet 2 sts together

INFO AND TIPS

The bag is worked in hdc, turning after each round to work on both sides and creating the lines at the same time with bpdc and fpdc. Then some decorations are worked and sewed on one side, to create a bag inspired by the sea. Finally the pawns are worked, faces are embroidered and a cord is created to allow you to close the bag.

Ch2 doesn't count as a st. So the first st is worked in the st at the base of Ch2.

The bag is worked in rounds but you must turn after each round to work on the right side and on the wrong side.

How to work a puff: *yo, insert hook in the indicated st, yo, pull through the st, yo, pass through 2 loops* repeat 4 times in total. You have 5 loops on hook. Yo, pass through all sts.

How to change color: work the last yo of the last st in the current color with the new color.

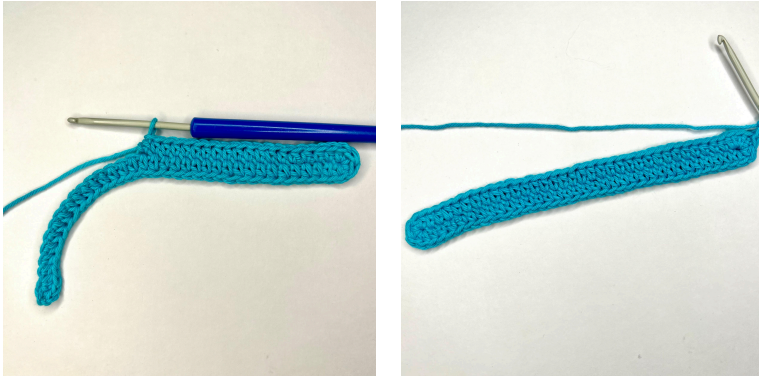

BAG

With col. 91 and col. 24 yarns and 3 mm (US D/3) hook

Before beginning, cut 2 strands of col. 24 measuring around 3 meters / 118". Wrap each strand around a clothespin or a small piece of cardboard to make the work easier.

With col. 91. Ch36

Round 1: Work 3 hdc in the 3rd ch from the hook. Hdc in each ch until one ch left. Work 5 hdc in the last ch. Turn your chain to work on the other side of the ch. Hdc in each ch of the row until one st left. Work 2 hdc in last st. Sl st in first hdc. Turn (76 sts)

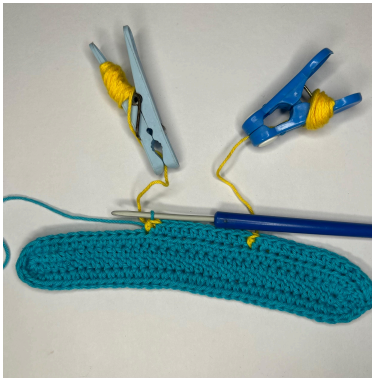

Round 2 (WS): Ch2, hdc in each st, sl st in first hdc. Turn

Note: each hdc Y is worked with one strand color Sunflower (24) that you prepared before. Work hdc with the main color, then work the st in yellow, and continue to work with the main color, leaving the yellow yarn in the back of the work, waiting for the next round. In the following rounds, hdc Y, bpdc Y and fpdc Y are worked with the yarn left in previous round.

Round 3 (RS): Ch2, 13 hdc, 1 hdc Y, 10 hdc, 1 hdc Y, work the rest of the round in hdc, sl st in first hdc. Turn

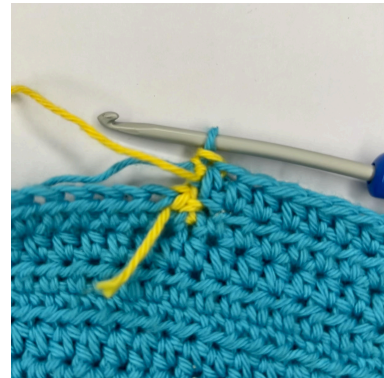

Round 4 (WS): Ch2, hdc until Y st. Work 1 bpdC Y in the Y st, hdc until next Y st, 1 bpdC Y in the Y st. Work the rest of the round in hdc, sl st in first hdc. Turn

Work 30 sl sts around the sts of the same round, from right to left. Fasten off and weave in the ends of the yellow yarn on the wrong side.
