## Pattern Information

Calme is worked from the bottom up in pieces, beginning with 2x2 ribbing and continuing in an interesting woven stitch pattern. The front armhole and neck shaping are worked at the same time, and shoulders are shaped with short rows. Once the shoulders and sides are joined, stitches are picked up around the armhole and finished with attached i-cord. The neckline is finished with a simple bound off edge.

**Resolving Double Stitches:** When you encounter the DS on subsequent rows, work DS in pattern, inserting needle through both legs of the DS and treating it as one stitch.
