Pattern Information

This sleeveless top is knit in two panels from the bottom up and seamed at the sides and shoulders. Each panel features simple intarsia colorwork. Stitches are picked up at the sleeves for a simple curled Stocking stitch finish, as well as at the cast-on edge and collar for stranded colorwork and folded hems. The shoulder seam is designed to sit slightly towards the back when worn.

Working Intarsia: When changing yarns, bring the new strand up from underneath the previous strand, twisting the yarns together.
