## PATTERN INFORMATION

Kiln is worked seamlessly from the top down, with raglan increases and German short rows to shape the neck. On the lower body and sleeves, 3 contrast colors are added to work vertical rectangles with both intarsia and stranded techniques. A checkerboard pattern is worked in another two contrast colors before working the ribbed hems.

## STITCH GLOSSARY

Colourwork is comprised of intarsia rectangles, with Yarn A carried across the back of these rectangles as for stranded knitting.

Each rectangle in Yarns B, C, D will require approximately 140 cm / 55" of yarn.

**Working Intarsia:** When changing yarns, bring the new strand up from underneath the previous strand, twisting the yarns together.

**Intarsia in the round:** On even rounds, slip the first 2 rectangle sts to RH needle leaving the 3<sup>rd</sup> st, \*k1 with contrast colour, slip st back to LH needle, slip next st from RH needle to LH needle; rep from \* twice more. Slip 3 worked sts to RH needle and continue.

### German Short Rows

**Create Double Stitch (DS):** Bring yarn to front, slip the first stitch as if to purl, bring yarn over the needle to the back of your work and pull tight (it will look like a double stitch = DS)

**Resolving Double Stitches:** When you encounter the DS on subsequent rows, work DS in pattern, inserting needle through both legs of the DS and treating it as one stitch.

**One-row Buttonhole:** Slip 2 sts purlwise, pass first st over second and off needle, slip 1, pass first st over and off needle (2 sts cast off), slip st from RH to LH needle. Turn work, cable cast on 3 sts, turn work, slip 1, pass first st over and off needle.
