PATTERN INFORMATION

With a simple top-down construction, a beautifully crafted lace that runs down the front of the foot, this sock will be nothing short of your new favourite.

Penny is a beginner friendly sock pattern. Though it uses DPNs, it's written in a way that you can use your preferred sock needle. The techniques used in the pattern are provided throughout, including abbreviations for the stitches used in the pattern.

Though this pattern is written with one cast on, it has a stretchiness that will allow for a wider foot. It fits approximately womens size 36/37 - 38/39 - 40/41. The length is customizable. You just knit until you are approximately 5 cm / 2" from your total foot length.

INFO AND TIPS

- Though this pattern is written with one cast on, it has a stretchiness that will allow for a wider foot. It fits approximately a womens size 36 - 41.
- The length is customizable. You just knit until you are approximately 5 cm / 2" from your total foot length.
- The stitch pattern contains multiples of 4.

CUFF

Using the long tail method, US 1/2.25mm needle, and your yarn, CO 64 sts. Join for working in the round, being careful not to twist the sts. *You may place a marker here to keep track of BOR or use the tail from your cast on as your guide.*

Round 1: *k2, p2; repeat from * to end of round.
Repeat pattern for 16 rounds or desired length.

HEEL FLAP

Worked over the first 32 sts. Half of the total stitches cast on.

Row 1 (RS): *S11 purlwise with yarn in back, K1; repeat across row. 32 sts

Row 2 (WS): S11 purlwise with yarn in front, Purl across remaining row.

Repeat rows 1 & 2 a total of 16 times. *The last two rows above count as one repeat*
You will end with a total of 32 rows or 16 repeats.

HEEL TURN

Row 1 (RS): S11 purlwise with yarn in back, K 16, ssk, k1, turn.

Row 2 (WS): S11 purlwise with yarn in front, p3, p2tog, p1, turn.

Row 3: S11 purlwise with yarn in back, knit to 1 stitch before gap, ssk, k1, turn.

Row 4: S11 purlwise with yarn in front, Purl to 1 stitch before gap, p2tog, p1, turn.

Repeat rows 3 & 4 until all stitches on the heel have been worked. You will end after your last WS row and have 18 sts left on the needle.

GUSSET

Knit across the row.

Using the same needle, pick up 16 sts along the side of the heel flap. Pick up 1 extra stitch in corner.

Work across the instep sts in **Penny Socks Stitch Pattern**.

Pick up 1 extra stitch in the corner, then pick up 16 sts along the other side of the heel flap, knit the next 9 sts from the first needle.

You are now at the BOR.

GUSSET DECREASE

Round 1: Knit

Round 2: K to 3 sts before the instep begins, k2tog, k1. Working **Penny Sock Stitch Pattern** across instep sts. K1, ssk, knit to end of round.

Repeat these two rounds until you have the original 64 sts.

PENNY SOCKS STITCH PATTERN

Round 1: *k2, k2tog, yo; repeat from * to end.

Round 2-4: knit

Round 5: *k2tog, yo, k2; repeat from * to end.

Round 6-8: knit

FOOT

Once you are back to your original stitch count of 64, continue working the foot, keeping instep stitches in **Penny Socks Stitch Pattern**, until the length measures 4 - 5 cm / 1.5-2" shorter than your desired foot length.

Hint: Measure your foot from the back of the heel to the tip of your longest toe.

Example: I begin shaping for the toe once my work measured 19 cm / 7.5" from the back of the heel on the sock. (My foot measures about 24 cm / 9.5" and I wear a US size 8 / Eu size 39 shoe)

Your toe takes approximately 4 - 5 cm / 1.5 - 2" of your foot length.

TOE

Instructions for a basic rounded toe are below. This is my favourite, but feel free to substitute your favourite.

Round 1: Knit all stitches.

Round 2: K to 3 sts before instep, K2tog, k1.

K1, ssk, knit across instep sts until you have 3 sts remaining, k2tog, k1.

K1, ssk, k until end of round.

Repeat the last 2 rounds a total of 8 times

Repeat round two 4 more times, until 16 sts remain.

Reposition stitches so you have 8 stitches on two needles.

FINISHING

Use Kitchener Stitch to graft the toe closed.

Weave in all ends and repeat the pattern for the second sock.

When finished, wet block your socks on a sock blocker, if desired. This helps the simple lace pattern to relax beautifully.
