PATTERN INFORMATION

These festive baskets were designed with one of my favorite holiday songs, "The Little Drummer Boy" in mind. I chose to crochet them in red but you could also choose green, white or a combination of all. The glitter yarn adds a special touch for the holiday season. You can give the baskets as a gift, use them as decor, or fill them with something special.

The yarn amount is enough to make both baskets.

Side Detail

Thread yarn B onto a tapestry needle. Begin at any popcorn on the upper edge.

*From inside, insert needle through the stitch below the popcorn and draw yarn to the outside. Insert needle into the stitch above the next lower edge popcorn to the right, and draw through. Bring needle straight up to the upper edge popcorn and repeat from *.

Once you have worked all the way around, work a second layer, working from lower edge to upper edge to create a diamond pattern around the basket.

Weave in any remaining ends.

Enjoy!
