Making up instructions.

All seams are mattress stitched with right sides together.

Chicken Body and Head.

Safety eyes

Affix the eyes before seaming and stuffing the Chicken's Body and head.

The safety eyes are positioned at each of the stitch markers on row 89.

Carefully push the stem of each safety eye through the loop at each stitch marker- remove the marker.

Place some stuffing around each stem before pushing the plastic backing covers over the eye stems to hold the eyes in place.

Use the CO yarn end at the base to gather the CO on stitches, then stitch the seam stopping 2 cm / 0.75" from the C&T row at the head.

Stuff the Chicken, taking care to keep the base flat.

Stuff the Chicken body and head firmly, paying attention to the shaping.

Finish sewing the side seam, add more stuffing to the open top of the chicken before pulling the C&T yarn to close the top. Weave in the yarn end.

Finished dimensions: 53 cm / 21" around the body (measured around the widest part of the body) and 29 cm / 11" around head middle (measured around the head over the eyes).

Head feathers

With the wrong sides together, stitch each seam. Pull the C&T yarn to close the top of each shape then stuff each feather. Sew the CO edge together to close the shape.

Pin and sew the blue head feather in front of the Head C&T closure. Position the green head feather along the head seam immediately behind the C&T head closure, repeat to position the pink feather behind the second feather.

Tail feathers

With the wrong sides together, stitch each seam. Pull the C&T yarn to close the top of each shape then stuff each feather. Sew the CO edge together to close the shape. Sew all three feathers together at the CO edges to create a fan shape.

Pin and Sew the tail feathers into position along the body seam 12 cm / 4.75" from the middle of the Chicken base/CO gather.

Beak

Sew the beak seam, and gently stuff the beak. Position the Beak between the eyes, with the seam facing down. The upper edge of the beak will be level with the middle of the eyes.

Pin and sew around the beak.

Wattle

With the wrong sides together, stitch each seam. Pull the C&T yarn to close the top of each shape then stuff each wattle. Sew the CO edge together to close the shape.

Position the wattles with The CO edges just under the beak. Ensure the seams are facing towards each other. Pin and sew the CO edges to the chicken.

Wings

For each wing, with Wrong sides together, pull the C&T yarn to close the wing tip, secure the gather with 2 small stitches. Mattress stitch the wing seam. Stuff the wing lightly to create a plump flat wing shape. Sew the CO edge closed.

Pin and sew the wings into position with the seams facing down.

Position the wings at an angle as shown.

Sew to the chicken body along the CO edge and at the wing tip.

Chick Body and Head

Safety eyes

Affix the eyes before seaming and stuffing the Chick.

The safety eyes are positioned at each of the stitch markers on row 14.

Carefully push the stem of each safety eye through the loop at each stitch marker then remove the marker.

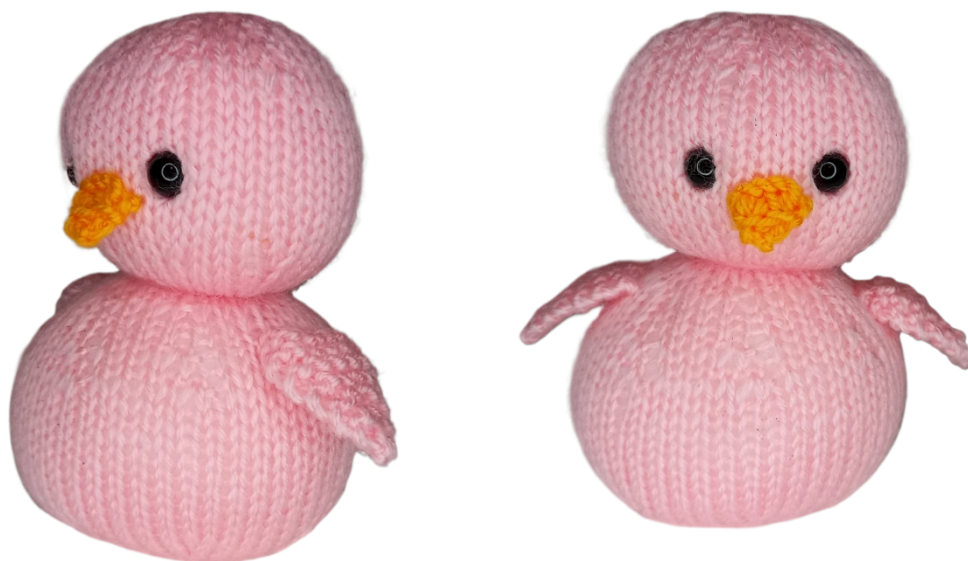

Place some stuffing around each stem before pushing the plastic backing covers over the eye stems to hold the eyes in place. Pull the C&T yarn end to close the base then stitch the seam stopping 2 cm / 0.75" from the CO row at the head.

Stuff the Chick, taking care to keep the base flat.

Finish sewing the side seam. Tie a piece of matching yarn tightly around the neck at row 24.

Once the neck has been formed you can continue to stuff the head. add more stuffing before gathering the CO edge yarn to close the top. Weave in the yarn end.

Finished dimensions: 24 cm / 9" around the body and 21 cm / 8" around the head.

Beak

Position the CO edge of the beak between the eyes and 2 rows up from the lower edge of the eyes. Pin and sew the CO edge to the chick.

Wings

Position a wing on either side of the chick, the CO edge is horizontal and 2 cm / 0.75" below the neck gather.

Enjoy!
