ABBREVIATIONS

Ch: chain
Dc: double crochet
Rem: remaining
Rep: repeat
RS: right side
St(s): stitch(es)
YO: yarn over hook
WS: wrong side

STITCH GLOSSARY

Chainless Foundation Double Crochet

Ch3 (counts as 1dc), YO, insert hook into third ch from hook, YO and pull through, YO and pull through one loop, [YO and pull through 2 loops] twice. You now have 2 sts (3-ch + 1 dc). To make the next dc: *YO, insert hook through both loops of the ch at the base of the last dc made, YO and pull through, YO and pull through 1 loop, [YO and pull through 2 loops] twice; rep from * until required number of sts have been created.

PATTERN BEGINS

Note: The numbers on the diagram refer to the shade used for that square. The diagram shows the colour arrangement when RS is facing; read diagram from right to left when working RS rows and from left to right when working WS rows. You will be starting at the bottom right-hand corner. The 3-ch worked at the beginning of each row counts as a dc throughout and is included in all stitch counts.

First Row of Squares

Foundation Row

Note: Foundation row is a RS row.

With the first colour (highlighted green on diagram), work Chainless Foundation Double Crochet until you have made 33 sts (including 3-ch), YO and insert hook into both loops of the ch at the base of the last dc made, YO and pull through, YO and pull through 1 loop, YO and pull through 2 loops, with the next colour YO and pull through rem 2 loops. You now

have 34 sts in the first colour, ready to begin working with the next colour. Do not fasten off previous colour but drop it to back of work.

*Continue working Chainless Foundation Double Crochet until you have made 33dc in the second colour. then add in the next colour (referring to diagram) on final YO of the 34th stitch, as above; rep from * until you have 34dc in each colour of the first row of squares on the colour diagram, do not change colour at end of final rep, turn. *170 sts; 34 sts in each colour*

Note: When changing colours, carry new colour up on WS and drop previous colour to WS throughout.

Row 1 (WS): Ch3, 1dc in each of next 33 sts changing to next colour on final YO of final st as set in previous row, *1dc in each of next 34 sts changing to next colour on final YO of final st as set in previous row; rep from * to end, do not change colour at end of final rep, turn.

Row 2 (RS): Ch3, 1dc in each of next 33 sts changing to next colour on final YO of final st as set in previous row, *1dc in each of next 34 sts changing to next colour on final YO of final st as set in previous row; rep from * to end, **do not change colour at end of final rep**, turn.

Rep rows 1-2 a further 7 times, then rep row 1 only once more. *18 rows worked in total (including foundation row)*

Fasten off and cut the 5 yarns leaving tails at least 15cm / 6" long.

Note: To hide the tails, crochet over them in the next row or weave them in at the end.

Next Row of Squares

With RS facing, beg at top right-hand corner of right-hand square of previous row (highlighted pink on the diagram), join colour indicated by diagram by inserting hook into first st, YO and pull through.

Next row (RS): Ch3, 1dc in each of next 33 sts changing to next colour indicated by diagram on final YO of final st, *1dc in each of next 34 sts changing to next colour on final YO of final st; rep from * to end, do not change colour at end of final rep, turn.

Continue as set as for First Row of Squares until 18 rows have been worked in total, ending with a WS row. Fasten off and cut the 5 yarns leaving tails at least 15cm / 6" long.

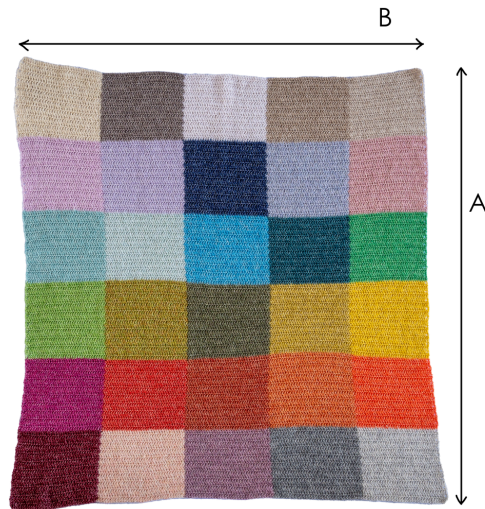

Continue to the next row of squares on the colour diagram, always working from right to left with RS facing when beginning a new row of squares.

FINISHING

Weave in any remaining ends and block to measurements.

Enjoy!

SCHEMATIC

- a. Height: 130cm / 51"
- b. Width: 108cm / 42½"
