PATTERN INFORMATION

This sleepy goose is a lovely soft friend for bedtime or to snuggle for comfort.

The floppy wings can cuddle a child and the goose's head rests soothingly on your shoulder.

Knitted flat and seamed this is a quick and easy project. Leave long tails on CO and BO sections for sewing up.

Making up

All seams are mattress stitched with wrong sides together, unless otherwise directed.

Body, Neck and Head

Gather the CO stitches at the base. Sew the body, neck and head seam, leaving a gap in the back of the body and the head for stuffing. Pull the C&T yarn to close tip of the beak and sew the beak seam. Stuff the body, do not over fill the body as it is a slightly flattened oval shape. Stuff the neck lightly so the head will flop a little. Stuff the rounded head and beak carefully, ensure the tip of the beak is stuffed. Sew closed the gaps used for stuffing..

Use 2 strands of chunky brown yarn to embroider the goose's eyes.

Each eye consists of a vertical st 1 row long, then a diagonal st over 1 st and 1 row, followed by a horizontal st, 1 st wide, next a diagonal st over 1 st and 1 row, and finally a vertical st 1 row long.

Position the eyes with the horizontal lower edge 2 rows before the start of the beak, and 1.5cm / 0.6" apart.

Wings

Pull the C&T yarn to close the tip of each wing. Fold each wing in half and sew along the row ends and the CO edge. Position the wings horizontally on either side of the body, with the folded edge at the start of the neck Row 40. Pin and sew into place.

Feet

Fold the feet in half with the wrong sides together. Sew the BO edges to close the top of the foot, then oversew the side and CO edge. Do not stuff the feet.

Position the feet either side of the CO gather at the base of the goose with the seams facing towards each other. Pin and sew into place.

Enjoy!
